

It just cited a **paper that never existed**

WHY IT INVENTS A PANEL

ask: "cite a study on AI in Indian agriculture"

Sharma, R. & Patel, K. (2021).

"Machine Learning for Crop Yield Prediction in Punjab."

Indian Journal of Agricultural Science, 58(3), 214-229.

Author names: plausible ✓

Journal: real ✓

Format: perfect ✓

The paper does not exist.

Nothing looked it up. There is no
lookup step in the model at all.

A convincing fake scores exactly as well as a real one while predicting text

Never accept a citation you have not opened

- 1 'Sharma & Patel (2021), Indian Journal of Agricultural Science.' Looks perfect.
- 2 Real-sounding authors. Real journal. Perfect format. **The paper is invented.**
- 3 Nothing looked it up. There is **no lookup step** in the model.

REMEMBER THIS

A convincing fake scores as well as a real one. Never cite what you have not opened.
